<b>Commander's Comments /Recommendations</b>	<p>Status of the USS Terminus</p> <p>Very good. We are getting back to where we need to be. Communications is up, recruiting is up and for the first time in months, I feel that the group is back on track. I feel that within a couple of months we will be back at 2018 levels.</p> <p>On May 1, some of us (Shaunnon Drake, Linda, myself and friend to the ship Jeff Baskin and family) went to the RenFaire and did some recruiting while there.</p> <p>April 28, Operations recruit Linda and I met up with LT. Cdr. Mascellia Depp in celebration of her taking command of Starbase 4. Mascellia and I had our disagreements and falling out in the past but we agreed that we must work together to help Starfleet grow. We decided to rekindle the friendship we once had to help all out. I offered the help of the USS Terminus in any way possible to assist the Starbase. LT. Cdr, Depp and I agree that cooperation is the only way for this group to grow.</p> <p>Forever Vigilant</p> <p>Commodore Joseph Campbell</p> <p>USS Terminus NCC-42063-A</p>
