CAPTION.**STARBASE COMMANDER COMMENTS/RECOMMENDATIONS**

I worked on trying to learn my crew and see where we are at. Things have started out smooth. I made a Facebook Page for SB4 and invited and encouraged my crew to join. This is where I will put out information on new orders and upcoming missions. A request of the most current roster show that my entire crew on yearly payments are up to date

I like the way the Academy has set up that they notify the commanders and myself for courses completed. This way I don't have to ask each month. If I get them for my crew I will have the information for my SPAR.

Commander's Comments /Recommendations	<p>The ship is doing fine. We have new members who are integrating wonderfully, particularly Linda Voronezh who is taking over setting up meeting times and announcements.</p> <p>I'd like to commend LTJG Wilkerson for everything he is doing with the STEM program and with the maker's community here in Decatur, GA. What he does is amazing and I commend him for it because a lot of people do not give back to our community. I am donating a 28 inch vinyl plotter to the Decatur Maker's Group to assist him in his endeavors. In addition, he does a Star Trek podcast. I am putting him in for chief science officer for the USS Terminus.</p> <p>LT. Cmdr. Tasheka Gipson is the best officer on the ship in regards to taking tests and promoting the ship and Starfleet Command. I strongly suggest that she be reassigned as first officer of Starbase Four. She would be a great asset to LT. Delp and Starfleet Command in that position. The reasons I am requesting reassignment is that SFC needs people who can offer SFC more. With Delp and Gipson running Starbase Four it will help the region.</p> <p>Suggestion to LT. Delp, CO of Starbase Four, I recommend that we do monthly Zoom meetings with the commanders around Starbase Four. This way we can all be up to date with what's going on around the region.</p> <p>On that note, I know it's not my place but I strongly suggest that LTJG Blackman of the USS Gerald Holder be promoted as soon as possible for all that she is doing for the New York region.</p> <p>We are all here to have fun. Let's enjoy this thing we call Trek.</p> <p>LLAP.</p> <p>Forever Vigilant,</p> <p>Commodore Joseph Campbell</p> <p>USS Terminus NCC-42063-A</p>
