Commander's Comments /Recommendations	This SPAR report is a bit complexed and overwhelming for some. Seems to be a bit extreme detail on a monthly basis for something that is supposed to be for fun. Quarterly wouldn't be so bad for all of this detail.

STARBASE COMMANDER COMMENTS/RECOMMENDATIONS

Went over current roster for SB4 and did research via email, phone call and FB for those members that have not paid or been promoted. I agree with the recommendation that these individuals be removed from the roster effective 2104.01. The members being recommended are as follows: Recruit **Ceamer, Jr., Lorenzo**, no email response and phone number no good, Recruit **Evertt, Lonnie**, no email response and phone number no good, and Ensign **Foy Justin**, no email response and no answer when called, did leave a message. Recruit Steven Scurek did not respond to my email, gave an updated one, but did return my phone call and a plan was set up for him to get back active. I would like to monitor his progress; if exams are taken there could be promotion there, but there is a backup plan being formulated.

I would like to reach out to the other members just to let them know we have them in mind and not lost in the shuffle. Also once removals have been done I would like to request an updated roster of SB4.
